New for 2010-11: Eagles Academy for U8-12 led by Rob Smith and Training “Crew”

Rob Smith is our Director of Player Development. Rob is a former member of the USA Olympic team and the Columbus Crew. Rob, along with several current local professional soccer players and other high level trainers, provide each age group U8-12 with 8 weekly training sessions in the fall and winter (indoor at SuperKick-built into the fee structure). Players older than U12 will receive team training sessions with Rob and his crew of trainers. Check our web site for more details on this exciting program designed to give players the edge for success.

Joining the Eagles will likely save you time and \$ compared with most select soccer clubs

- Check the web site for specifics on costs. Scholarship funds are available for those in need. Please ask!
- We give parents final decisions on tournaments, maintaining a limited and what we believe to be an age appropriate out-of-town tournament schedule, which saves on travel/hotel/food costs (typical out-of-town travel is 1-3 hours driving time).
- The quality of instruction and degree of competitiveness are high ... but our fees are not.

Exciting opportunity for boys U13-16 and girls U13-15: a Classics Eagles alliance! See www.classicseagles.com for more info about this alliance that will provide the best in training and coaching and a team that is the best possible fit for the individual player.

- Tryout location: behind Northside Fellowship Church, 6841 Freeman Rd, Westerville, 43082
- Please bring: Size 4 ball (U-13 and older, size 5) and water. Always wear shin guards.
