Scholarship Program

Dear Scholarship Applicant:

SA United is committed to affording all players the opportunity to participate in club soccer. Each year we budget to provide financial assistance for families who are in need. This scholarship fund can be used to supplement the cost of the clubs annual fees. All players must pay the \$150 commitment fee regardless of their scholarship award. This fee is due upon signing with the club.

To apply for financial assistance, please complete a scholarship application and provide a copy of your 2009 or latest tax return. All information we obtain from you will be for club use only and available solely for the private use of the SA United scholarship committee.

In an effort to be fair to all applicants, full and partial scholarships will be awarded based solely on need. Certain extenuating circumstances where financial need is not the sole reason for the applicant's request may be considered. However, the SA United board has created strict guidelines that leave little room for applicants applying based upon criteria other than financial need. If an applicant wants their circumstances reviewed, a letter explaining their situation must be provided along with the application and a copy of their 2009 tax return.

All families of scholarship recipients will be required to volunteer 20 hours of their time throughout the 2010-2011 seasons. Volunteers are critical to our success and ensure future success of our club.
